

Welcome

We hope that everyone is enjoying the last few weeks of summer. We are looking forward to another great season of action and competition. As the season quickly approaches you can expect to see more emails communicating upcoming evaluation dates, coaching clinics, tournament information, etc. To start off, here is some info to get you going:

Come and Try it Event

Please continue to promote the amazing sport of Ringette and encourage those you might know who are interested to attend our “Come Try It” event on **Wednesday, September 6th 6:00-7:00 pm at Millennium Place**. Please contact Laurie marketing@sherwoodparkringette.ca for further details.

Registration

U10-U19 registration deadline is **August 31st, 2017**. Anyone registering after will be accepted if space is available in your age group.

Active Start registration is **ongoing** (subject to space available).

If you know of anyone still needing to register please have them visit the [SPRA website](#).

Coaching Applications

Once again we have had a number of you show interest in a coaching position for the upcoming season. Without our coaches’ dedication, our programs would not be as successful as they are. You are greatly valued and appreciated. If you indicated a desire to coach in some capacity, an email has been sent to you to complete the online coach’s application. In order to ensure that everyone within the SPRA membership is given a fair opportunity to be considered, we are once again asking that you complete the online coach’s application (available on the [SPRA website](#)). This gives the coaches selection committee at each level a better idea of your coaching credentials, philosophy, certifications, and experience. If you did not receive an email and wish to be considered, please visit our website and look for the Coaching Application on the home page. Deadline for coaching applications is **August 31st, 2017**.

Evaluation Sessions

U10 through U19 shinny will take place on the long weekend with formal evaluations beginning the following week. A guide to the evaluation process is posted under “[Evaluations](#)” the SPRA website for both U10 - U19. You will also find a schedule of evaluation dates (subject to change). Specific dates and times of your daughter’s evaluations as well as team formation will come via email directly from your Director closer to the start of the evaluation sessions. Look for emails from your Director in the near future.
